## What's Happening?

A very cold winter, great for LPG sales but not good for diving sales.

***Time to start getting ready for spring, scallop season and diving again.***

Have you thought about getting your young ones certified for open water diving?

We are running open water dive courses during the school holidays, with this in mind. Come summer you can take them to another world!.

We'll take you to another world...

## Specialties

### **Night Diver**

- Take the excitement to the next level by completing the PADI Night Diver Specialty course. This is your chance to see all the nocturnal creatures we miss during the day.

### **Drift Diver**

- Join us as we let the current take us along the Waikato River. A unique experience, not to be missed.

We have other specialties available on request so ask in store if you have any requests.

## **Dive Trips**

### **Scallop Season**

Starts on the 1<sup>st</sup> September. The Willie O has been chartered to take you to Motiti for the first scallop dive of the season.

Be in quick to reserve your dive place on this boat.

### **Mayor Island**

We can organise dive trips to Mayor Island. Just register your interest.

## Our Services

### LPG

Not only can we fill and test cylinders, we can dispose of time expired, old and unwanted cylinders. Just drop these off at the shop.

### Cylinder Testing

Get your dive cylinders in to test while it's quiet so you never need to worry come summer. We can also test your LPG cylinders as well as others so bring them in or call us to check.
